PROJECT AND ITS OBJECTIVES

ABOUT THE PROJECT

- ▶ Project preparation started in 2008. The project was based on a detailed analysis of available education programs in the region of Dolni Brezany, from which emerged:
 - ▶ A growing number of children with special educational needs
 - ▶ The absence of the program for gifted children
 - ▶ No advisory centre in the region
 - ▶ Long waiting time in state pedagogical centers and lack of feedback to teachers and parents
 - ▶ Minimum follow-up care and help for children, parents and teachers

- ▶ 12 October 2009, the project was approved by the Council of the Central Bohemia Region in the frame of the Operational Programme Education for Competitiveness, Priority Axis 1 - Initial Education, support 1.2 - Equal opportunities for children and pupils, including the children and pupils with special educational needs

- ▶ The project was launched in December 2009. Till December 2011 is fully funded from the Operational Programme Education for Competitiveness. All services are offered free of charge during this period.

GENERAL OBJECTIVES OF THE PROJECT

- ▶ Take into consideration individual talent of each pupil, form positive attitude to further education and increase future employability of each individual
- ▶ Improve the quality of the preschool and primary education in the region
- ▶ Improve the quality and accessibility of education and services for children with special educational needs (SEN), gifted children and their parents
- ▶ Reduce stress and workload of pupils with SEN in the classroom
- ▶ Early search, identification and development of gifted children
- ▶ High-quality and effective teaching of English for children with specific learning disabilities

SPECIFIC OBJECTIVES OF THE PROJECT

- ▶ Provide high quality children diagnostics enables a quick response and work to eliminate or mitigate the problem or to develop talents.
- ▶ Offer effective and fast solution of learning or educational problems at one place in close partnership with parents and teachers
- ▶ Reduce stress and burden when transferring children from nursery to primary schools and pupils from primary school to secondary school
- ▶ Create curriculum and methodological procedures for working with children with SEN and gifted children, and implement knowledge in school education programs
- ▶ Establish cooperation with pedagogical and professional workers from the region based on the further dissemination and sharing of lessons learned while working with the target group

 - ▶ Crisis intervention of the psychologist in the event of an acute problem in the classroom

All activities performed with the consent **of parents.**

WHY YOUR SUPPORT WOULD BE GRATEFULLY APPRECIATED

WHY YOUR SUPPORT WOULD BE GRATEFULLY APPRECIATED

- ▶ Until 31 December 2011, the activities are fully covered by the Operational Program Education for Competitiveness, all services are provided free of charge. However, from 1st January 2012 we are entirely dependent from income from service charges to the parents.
- ▶ It is not allowed to submit repetitively application for the same activities, the Central Bohemia Authorities declare lack of financial sources for non state pedagogical centers. State pedagogical centers are not able to ensure comprehensive scale of services.
- ▶ Schools in the region are faced with substantial financial restrictions for these services and need to focus on their daily teaching performance .
- ▶ In the commercial phase will fall out of the project socially disadvantaged children, children from low culturally stimulating environment

HOW CAN YOU HELP US

- ▶ **With financial contribution which will use to maintain, expand and optimize the range of services for children, parents and school facilities from 1 January 2012**
 - ▶ Bank account No: **102 490 960/0300**, SS 1, notice: RPP

- ▶ **With financial contribution for building adjustments of the place of RPP**
 - ▶ Our working spaces are currently limited to the ground floor. Reconstruction of the first floor would enable us to offer all services including professional courses in one place. At this point some of the activities are delivered at the Lower School.

- ▶ **With realization of particular building adjustments**

- ▶ **With other activities supporting the everyday operation of the RPP**

UTILISATION OF YOUR SUPPORT

UTILISATION OF YOUR SUPPORT

We will use donations to cover the costs of the following activities:

▶ **Non-commercial activities**

- ▶ Specialized work with children from low culturally stimulating environment
- ▶ Specialized work with children from socially disadvantaged families
- ▶ Specialized work with groups (atmosphere and relationships in the classroom), prevention (bullying, drugs, safety,..), crisis intervention of the psychologist
- ▶ Growing need to support daily work of teachers with children in the classroom

▶ **Screening, identification and development of gifted children**

- ▶ The region is above average number of gifted children. It is essential to identify early these children and work on their complex development in cooperation with teachers and parents

▶ **Screenings in the preschool classes**

- ▶ Early detection of weaken areas and subsequent work with children so that they are better prepared to get to first elementary school classes without any stress, to motivate children for further education.
